| Comments Regarding Pricing Strategy | | |
| <p>The property is maintained. No damage was noted for this property. The lawn has been mowed. No debris noted on the exterior. From an exterior inspection of this home the home does not have any damage. I would recommend the interior be inspected to verify condition. The homes within the subject's s/d appear to be well maintained. No deferred maintenance was noted throughout the community. I went back 03 months, out in distance 0.50 miles, and even with relaxing the GLA search criteria I was unable to find sufficient comps which fit the client's requirements. Within 2 miles and back 12 months I found 11 comps of which I could only use 6 due to subject homes characteristics and marketing factors. The ones used are the best possible currently available comps within 2 miles and the adjustments are sufficient for this area to account for the differences in the subject and comps.</p> | | |

Clear Capital Quality Assurance Comments Addendum
