Comments Regarding Pricing Strategy		
To find similar condo/townhome comps, the search radius had to be expanded out to 2 miles. There were not comparable listings in subject's complex and no comparable sold comps in the past 90 days in subject's complex. Good demand for residential properties in this neighborhood. Would sell in average marketing time for the area if priced correctly.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
