<b>Comments Regarding Pricing Strategy</b>		
<p>The subject is a SFR with 902 Sq. feet, built in 1950, contains 2beds/1 bath and the subject is in average condition. The subject is located near worship center, school, hospital, highway, railway track, park and retail amenities. Due to limited comparables it was necessary to exceed boundaries such as railway track, highway, major roads and it will not affect the market value. Within 1 mile +/-20% GLA, +/-20 year built there were limited comparable available so it was necessary to exceed proximity to 4 miles. IT was necessary to exceed lot size, bed count, +/-20% GLA and condition due to limited comparable in the subject neighborhood. In order to include comparable to reinforce the subject's GLA and other attributes, the sold comparable search was broadened to 3-6 months time. The sold comparable 2 and list comparable 2 were similar in overall features and given more weightage for providing final value.S2 and S3 received multiple offers which resulted in an increased final sale price relative to list price.</p>
