Comments Regarding Pricing Strategy		
<p>The subject should be sold in as-is condition. The market conditions is currently Stable. Due to suburban density and the lack of more suitable comparisons, over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas. Commercial presence for the subject would not affect the subject's condition or marketability. List 1 Comp were weighted the most and similar in gla, lot size and close proximity. Sold comparable 1 was weighted the heaviest due to gla, lot size and close proximity. Comps used are different condition due to the lack of recent market activity, used most similar found. All the necessary adjustments are made.</p>
