Recent Sales - Cont.

Reasons for Adjustments Why the comparable sale is superior or inferior to the subject.

- **Sold 1** The comparable is superior due to its gross living area, lot size and improved condition.
- **Sold 2** The comparable is most similar to the subject in gross living area, year built, proximity to the subject and lot size. The condition of the comparable is considered inferior due to its FAIR condition at the time of sale. The comparable was sold thru probate and was completed as a cash sale whereby the appropriate cost adjustments have been made.
- **Sold 3** The comparable is inferior in gross living area being only 2 bedrooms although appears to be well maintained and would be considered superior in age allowing for better pricing. Additionally, the financing used for the comparable benefits improved pricing.
