Comments Regarding Pricing Strategy		
<p>The search guidelines of lot size, above grade GLA and style were to be expanded due to limited comparable homes in the market with recent activity. GLA was expanded as the subject does not conform to the area in GLA as the subject is larger than all comparable homes with recent market activity. All styles used compete with no adjustment needed in this area. The adjusted sold comparable homes are the best indicator of value as many of the active homes are currently overpriced and may see further price reductions.</p>
