<b>Owner</b>	Rodarte, Gregorio	Subject property is moderately larger single story plan in newer tract of homes located in very large market area. Appears to be vacant, secured. Notices are posted on front door. Fenced back yard, rocskaped front yard with trees, shrubs. Yard areas are messy, weedy. Would recommend basic yard maintenance to enhance exterior appearance. Tile roof, small porch at entry. Extra side concrete parking area. Oversized lot for this tract, located at curve in road so back yard is extra deep. This has minimal impact on value currently.

<b>Comments Regarding Pricing Strategy</b>		
<p>Search was expanded to include the most proximate similar aged tracts in order to find best comps for subject &amp; to try &amp; bracket subject features. Every effort made to find/use comps with as close proximity as possible. In this case search was expanded up to 1 mile to find best comps. Subject lot size is not bracketed by the active comps but is by the sold comps. All of the comps have lot sizes considered typical for the area &amp; this is a minimal line item adjustment. As the market continues to transition &amp; level out, inventory is growing &amp; there are more homes on the market currently than at any time in the past 3+ years. DOM stats are increasing along with interest rates. More listings are seeing price reductions, some significant &amp; more sellers are offering concessions to buyers. In the coming months competitive pricing is going to be the most important factor in marketing any property.</p>
