Comments Regarding Pricing Strategy		
<p>A limited number of sold comparable listings and no active listings were available within a 1 mile radius even after expanding the search criteria as follows: SqFt is 1800 to 2500, Year Built is 1980 to 2000 and Search Date is 11/09/2022 to 11/08/2021. As a result, it was necessary to expand the search radius beyond 1 mile in order to return the needed number of results. Many of the comparable listings in this area have either gone through recent updates or a complete remodel. This has created a wider than typical range in pricing. Values have been adjusted as appropriate based on differences in condition, location, amenities or other significant features. The final price point was determined by a carefully calculated solution between the current and sold listings with the greatest weight placed on those sold and active listings most similar in square footage and proximity. The variance in values was relatively modest while there appears to be a slight downward trend. Due to the fact that values are stable and most of the sold listings days on the market are within what's typical for this area, the final valuation will reflect a more aggressive value. The final valuation is for a fair market value set to encourage the requested marketing period for this area.</p>
