Comments Regarding Pricing Strategy		
<p>The subject's value is based on the closed sales in the area. The active listings have been considered in the value of the property, but the closed sales hold the most weight. Due to lack of similar comps it was necessary to exceed GLA guidelines, look for comps over 5 age difference, used comps having lot size more than 20% and exceed bed/bath count. All comps are considered to be reliable. The subject properties final value assumption is based on an exterior inspection only and does not take into consideration possible factors that may or may not exist to the subject properties interior.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
