Comments Regarding Pricing Strategy		
<p>The subject should be sold in as-is condition. The market conditions are currently stable. List 1 Comp were weighted the most and similar in bedrooms, bathroom and value. Sold comparable 2 was weighted the heaviest due to similar in value, location & view. Proximity to the Commercial would not affect subject's marketability and both sides of the Commercial are similar market areas. Few similar comps available within a mile so it was necessary to extend the search for comps. Few similar acreage comps available within a mile so the comps chosen were the best available and closest to the similar acreage as the subject.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect
