Comments Regarding Pricing Strategy		
<p>Search was expanded to include all of the similar aged sections of this tract in order to find best comps for subject & to try & bracket subject features. Every effort made to find/use comps with as close proximity as possible. In this case all of the comps are within 1/2 mile of subject & most are within 1/4 mile of subject, including some from same section of tract & one model match. The market is in a transitional phase & inventory is at it's highest level in 3+ years. Many listings are currently seeing price reductions & many sellers are offering concessions to buyers. In the coming months competitive pricing is going to be the most important factor in marketing any property.</p>
