| <p>Mileage had to be extended due to limited sale and listing comps. This location is a mix of SFR, Apartments and Condos. Many of the SFR are also new builds and renovated in addition to being on the Golf Course. Comps selected for this report are all settled properties within the subject's market area. They are considered to be the best available at the time of inspection and strong indicators of market value. Exposure time is estimated to be 1 to 6 months. Note that overall market conditions have been taken into account in arriving at final opinion of value. Based on exterior observations, there are not any environmental issues (e.g., easements, encroachments, power lines, RR tracks, sewage ponds, negative design traits, etc.). Subject is not located in a flood zone. There is not any functional or economic obsolescence.</p> | | |
