<p>The subject should be sold in as-is condition. The market conditions are currently stable. The value as of today is \$ 321,000. The typical marketing time is 120 days. Comps used were best available and closest to subject in terms of GLA, style, location, and condition, age and lot size. Commercial presence for the subject would not affect the subject's condition or marketability. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas. Few similar comps available within 1.30 mile, so it was necessary extend the search for mileage.</p>
