Comments Regarding Pricing Strategy		
<p>The subject should be sold in as-is condition. Value best supported by sold comp 1 and list comp 2, being the most comparable to the subject. Due to the lack of more suitable comparisons, it was necessary to the guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. All the necessary adjustments are made. There is lack of similar comps available within a mile so it was necessary to extend the search for comps. Subject appears to be currently occupied verified from the tax record. Commercial presence for the subject would not affect the subject's condition or marketability. The subject and all comps are attached 1/2 Duplex.</p>
