Recent Sales - Cont.

Reasons for Adjustments Why the comparable sale is superior or inferior to the subject.

- **Sold 1** The comp is larger (\$3800) and is younger (\$10,000) as well as having an additional bedroom. This room will be offset in value by the lack of enclosed garage of the comp
- **Sold 2** This comp is younger but also smaller than the subject. The other features are of the same appeal and overall value to make the two homes very similar overall
- **Sold 3** This comp is very similar in all features other than the size and age of the comp. This is offset by the overall condition of the home and the reason for the adjustment in value

Comments Regarding Pricing S	Comments Regarding Pricing Strategy				

This home is in a good area and will sell without issue if priced according to the age and design of the home. This home should command a good price and sell fast. The subject is smaller than the average home in the area so comps were limited that were not total renovation properties that are very common right now.
