<b>Comments Regarding Pricing Strategy</b>		
<p>I went back 3 months, out in distance .5 miles, and even with relaxing the search criteria I was unable to find adequate comps which fit the requirements. Within 1.5 mile and back 6 months I found adequate comps of which I could use. The ones used are the best possible currently available comps within 1.5 mile and the adjustments are sufficient for this area to account for the differences in the subject and comps.</p>
