<b>Comments Regarding Pricing Strategy</b>		
<p>The subject should be sold in as-is condition. Value best supported by sold comp 2 and list comp 1, being the most comparable to the subject. Due to the lack of more suitable comparisons, it was necessary to exceed over 1 miles and over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. All the necessary adjustments are made. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas. Commercial presence for the subject would not affect the subject's condition or marketability. Subject appears to be currently occupied verified from the tax record. There is lack of similar comps available within a mile so it was necessary to extend the search for comps. Due to the lack of more suitable comparables, it was necessary to exceed over 6 months from the inspection date. Comps used are different days on market due to the lack of recent market activity, used most similar found. There is lack of similar age comps available within a mile so the comps chosen were the best available and closest to a similar age as the subject. Comps used are different styles due to the lack of recent market activity, used most similar found. Estimated Market Rent: \$1690.</p>		

## Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
