Comments Regarding Pricing S	Comments Regarding Pricing Strategy			

The subject property is located in rural Fresno County, in the small town of Mendota, there are currently only 2 homes for sale in Mendota, it was necessary to extend the coverage area to similar towns with similar market characteristics. Adjustments for differences in sq.ft., lot size, room counts, garage space, age and closing costs paid are needed to help offset value differences. Due to changing real estate trends and increasing interest rates, inventories are down as consumers are affected by affordability aspects of the real estate market.
