Comments Regarding Pricing Strategy		
<p>The MLS was searched for comparable with the following criteria:: GLA range of 1028 to 1762 square feet, within 1 miles radius, 1949 to 1999 year built range, and 12 months' sale time for sold comps. The comparable that were closest in size, age, style, location and room count were chosen for this report. Due to limited comparable, need to exceed proximity up to 4.73 miles, closed date, year built, garage. Since there were limited comparables available, it was necessary to use comparables with wider price range. Subject is located closer to residential, commercial and major roadways. This however, will not have effect on value and marketability. Sale 2 and listing 1 are most comparable to the subject. Their value was weighted heavily in determining the value of the subject. Subject details were taken as per tax record.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
