Subject is inferior to properties on the market. Subject interior condition ambiguity. Subject sold recently for significantly less than any similar comp indicating the condition may be worse than the exterior would indicate.				

Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect **Notes** the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.

Addendum: Report Purpose

Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.) The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price A price at which the property would sell between a willing buyer and a willing seller neither being

compelled by undue pressure and both having reasonable knowledge of relevant facts.

Distressed Price A price at which the property would sell between a willing buyer and a seller acting under duress.

Marketing Time The amount of time the property is exposed to a pool of prospective buyers before going into contract.

The customer either specifies the number of days, requests a marketing time that is typical to the

subject's market area and/or requests an abbreviated marketing time.

Typical for Local Market The estimated time required to adequately expose the subject property to the market resulting in a

contract of sale.
