<b>Comments Regarding Pricing Strategy</b>		
<p>The market conditions is currently stable. Few comps available, the comps chosen were the best available and closest to the GLA, Lot size and Age of the subject. Could not bracket the subject Lot size and Age list comps due to the lack of activity in the market. No similar bedroom and bathroom list comps available in subject neighborhood, So I have used different bedroom and bathroom count list comps in this report Due to suburban density and lack of more suitable comparables, it was necessary to exceed over 6 months from the inspection date. Subject's last known sale date is 1/10/2018 and the price is \$142,000</p>		

## Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.

## Addendum: Report Purpose

### Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.)

The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price	A price at which the property would sell between a willing buyer and a willing seller neither being compelled by undue pressure and both having reasonable knowledge of relevant facts.
Distressed Price	A price at which the property would sell between a willing buyer and a seller acting under duress.
Marketing Time	The amount of time the property is exposed to a pool of prospective buyers before going into contract. The customer either specifies the number of days, requests a marketing time that is typical to the subject's market area and/or requests an abbreviated marketing time.
Typical for Local Market	The estimated time required to adequately expose the subject property to the market resulting in a contract of sale.
