**Listing Comments** Why the comparable listing is superior or inferior to the subject.

**Listing 1** It is inferior because of having a smaller GLA and for being an older being. Overall, similar in design and appeal and has comparable views. Also farthest in proximity to the subject compared to other comps used.

**Listing 2** Shows the best support from my value conclusion. Overall, it has the most comparable characteristics.

**Listing 3** It also has the same view as the subject, but its larger GLA and a pool makes this superior to the subject.

### Recent Sales - Cont.

**Reasons for Adjustments** Why the comparable sale is superior or inferior to the subject.

- Sold 1** It is inferior because of having a smaller GLA. Overall, similar in design and appeal and has comparable views. Also farthest in proximity to the subject compared to other comps used. Adjustments: \$585 due to sq ft, -\$1159 due to the lot, \$1600 due to age, \$10,000 due to TLC.
- Sold 2** Shows the best support from my value conclusion. Overall, it has the most comparable characteristics and most importantly the most similar location/view which is one of the biggest factors with the subject. Adjustments: \$1485 due to sq ft, \$175 due to the lot, \$800 due to age, -\$10,000 due to updates.
- Sold 3** It also has the same view as the subject, but its larger GLA, updates, and having a larger room count makes this superior to the subject. Therefore my value conclusion most aligns with Sale 2. Adjustments: -\$2805 due to sq ft, -\$3000 due to room count, -\$10,000 due to updates.

<b>Comments Regarding Pricing Strategy</b>		
<p>The search was extended back 6 months, out in distance 1.40 miles, and even with relaxing 35% GLA search criteria I was unable to find many comps that fit within 20% GLA requirements and similar style and appeal. Within 1.40 miles and back 6 months, I found 8 comps of which I could only use 6 due to condition or site-size factors. The comps used are the best possible currently available comps within 1.40 miles and the adjustments are sufficient for this area to account for the differences in the subject and comps. Upon review of all the pertinent information, an opinion of the as-is market value of \$240,000 is adequately supported with emphasis placed on List No. 2 and Sale No. 2. Based upon an exterior inspection, from the street, the subject property has no observable adverse condition noted that would cause a safety or health risk/concern at the time of inspection. Therefore no resale issues are foreseen.</p>
