<b>Comments Regarding Pricing Strategy</b>		
<p>This is a Broker's Price Opinion and was prepared by a licensed Real Estate Agent. It is not an Appraisal. This opinion cannot be used for the purpose of obtaining financing. Notwithstanding any preprinted language to the contrary, this is not an Appraisal of the market value of the property. If an Appraisal is desired, the services of a licensed or certified Appraiser must be obtained. This document is not an appraisal as defined by USPAP (Uniform Standards of Professional Appraisal Practice). It is not to be construed as an appraisal and may not be used as such for any purpose. The search was conducted within +/- 20% GLA, +/-10 year built and 3 months close date. However, there were very limited comparable found. To locate enough comparable, it was necessary to exceed distance, age and condition guidelines. In delivering final valuation, most weight has been placed on CS2 and LC3, as they are most similar to subject condition and overall structure. When searching for Active Listings Listing #1 and Listing #2 were the only listings up to a Mile away.</p>
