Comments Regarding Pricing S	trategy			

Shortage of Listed comps, it was necessary to expand radius to produce Listed comps but all comps are located in the Subject's market area. All Sold Comps are located in the Subject's subdivision and are similar style, features, build quality and likely comparable condition. Closed dates are all within the desired prior 90 days and reflect current market conditions with increased marketing time and seller concessions have become common. All Sold comps as adjusted & averaged provide a likely reliable indication of the Subject's value in the current market
