<b>Comments Regarding Pricing Strategy</b>		
<p>"I have searched a distance up to 0.5 mile GLA +/-20% similar lot size and 6 months back . Since there were limited comparables I have to exceed the guidelines and search upto 1 mile, so ,bed-bath,garage and availability of pool and fence varies with 1 mile proximity. Since there were limited comparables available within the subject's market neighborhood, it was necessary to take comps with variance in bed/bathroom count and sub-style.Subjects final value represents a value with normal marketing time and based on the most similar and proximate comps in this report. comps selected for this report are all settled properties within the subject's market area. They are considered to be the best available at the time of the inspection &amp; good indicators of market value. Note that overall market conditions have been taken into account in arriving at a final opinion of value."</p>		

## Clear Capital Quality Assurance Comments Addendum
