Comments Regarding Pricing S	trategy		

In arriving at value, agent took into consideration both recent list comps and sold comps, however weighed in more heavily on recent sold comps as they provide a better indicator of current fair market value. The subject is in average condition with no repairs needed, therefore the AS IS and the AS REPAIRED values are the same. Current DOM for this type of property is greater than 180 days, therefore there is no difference between the suggested list and the 30 day price.
