Comments Regarding Pricing Strategy					

Within 1 mile, 20% GLA +/-, Year built 20 +/-, there were limited comparable available in the subject neighborhood. Therefore it was necessary to exceed the style, year built, GLA, bed count, basement guidelines, Garage count, lot size and proximity up to 1.5 miles. The comparable selected were considered to be the best available. In delivering final valuation, most weight has been placed on CS2 and LC2 as they are most similar to subject condition and overall structure.

Addendum: Report Purpose

Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.) The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price A price at which the property would sell between a willing buyer and a willing seller neither being

compelled by undue pressure and both having reasonable knowledge of relevant facts.

Distressed Price A price at which the property would sell between a willing buyer and a seller acting under duress.

Marketing Time The amount of time the property is exposed to a pool of prospective buyers before going into contract.

The customer either specifies the number of days, requests a marketing time that is typical to the

subject's market area and/or requests an abbreviated marketing time.

Typical for Local Market The estimated time required to adequately expose the subject property to the market resulting in a

contract of sale.
