Comments Regarding Pricing Strategy		
In delivering final valuation, most weight has been placed on CS1 and CL2 as they are most similar to subject condition and overall structure. Subject's final value represents a value with normal marketing time and based on the most similar and proximate comps in this report and they were the best indicators of value available.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes	The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
