Comments Regarding Pricing Strategy		
Subject appears very well maintained, average to above average condition. Subject and comparables are some the smallest floor plans in Brentwood, thus represent most affordable and entry level for this community. SC1 is most weighted for this report, ONLY comparable in subjects subdivision in last year. Subject is bracketed with inferior and superior comparables. January 2023 thru July values increased 8-10%. Currently flat market due to rising interest rates again, but no declines in value due to historic low level of resale inventory.
