Comments Regarding Pricing Strategy		
<p>The subject should be sold in as-is condition. Value best supported by sold comp 1 and list comp 1, being the most comparable to the subject. Due to the lack of more suitable comparisons, it was necessary to the guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. All the necessary adjustments are made. Proximity to the highway and commercial would not affect subject's marketability and both sides of the highway and commercial are similar market areas.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
