Comments Regarding Pricing Strategy		
<p>Subject is located in an older neighborhood and does not conform well as this is a newer home in this older area. I searched out 6 months and .05 mile and had to expand my search out to almost 2 miles and 12 months in order to find similar comps that were similar to subject in size and age. although this is farther than I typically use I feel its the most accurate based on subjects age and size. There was also a shortage of list comps in this area.</p>		

Clear Capital Quality Assurance Comments Addendum
