Comments Regarding Pricing Strategy

The market conditions is currently Stable. Due to the lack of more suitable comparisons, it was necessary to exceed over 3 mile and over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. All the necessary adjustments are made. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas. Commercial presence for the subject would not affect the subject's condition or marketability. List 3 Comp were weighted the most and similar in bedrooms and close proximity. Sold comparable 2 was weighted the heaviest due to GLA. Subject appears to be currently occupied verified from the tax record. Subject rent-\$ 2100
