#### **Comments Regarding Pricing Strategy**

There is very little inventory currently on the market or that has recently closed escrow. Due to the lack of inventory, I had to expand distance (radius of 2 miles for listed comps), age (+/- 15 years), square footage (no minimum or maximum for listed comps) and lot size. I also had to search back 12 months for sold comps. There are currently no listed propertiesd in the subject complex and there have only been 3 sold properties in the last 12 months. The subject is a single story unit with a 1 car attached garage. Zillow states that it is going to auction and that it is vacant. The subject is located in a much better area than all of the listed comps. Value was determined by a comparison in age, square footage, lot size, location and condition of the properties. Value is based on the sold comps which are located in the same complex as the subject and have the same characteristics as the subject.
