Comments Regarding Pricing Strategy		
<p>Due to suburban density and the lack of more suitable comparisons, it was necessary to exceed over the guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. The value as of today is \$440000. Value best supported by sold comp 2 and list comp 1 is the most comparable to the subject. Subject appears to be currently occupied verified from the tax record. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas. Commercial presence for the subject would not affect the subject's condition or marketability. The home rent price 2,654.</p>
