### Neighborhood & Market Data

<b>Location Type</b>	Suburban	<b>Neighborhood Comments</b>	<p>This is a planned neighborhood with one builder. The homes are all similar, however they do vary in square footage. The neighborhood opens onto a secondary roadway. There have been very few REO's in this area. The supply is low and the demand is moderate. In searching for comps I went out 1 mile and back 180 days. The main criteria was map grid and square footage. The comps used are the best available at this time.</p>

## Addendum: Report Purpose

### Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.)

The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price

A price at which the property would sell between a willing buyer and a willing seller neither being compelled by undue pressure and both having reasonable knowledge of relevant facts.

Distressed Price

A price at which the property would sell between a willing buyer and a seller acting under duress.

Marketing Time

The amount of time the property is exposed to a pool of prospective buyers before going into contract. The customer either specifies the number of days, requests a marketing time that is typical to the subject's market area and/or requests an abbreviated marketing time.

Typical for Local Market

The estimated time required to adequately expose the subject property to the market resulting in a contract of sale.
