#### Recent Sales - Cont.

Reasons for Adjustments Why the comparable sale is superior or inferior to the subject.

- **Sold 1** This home is slightly larger but is also slightly older. The only other difference is the size of the garage which is smaller in the comp to make it inferior.
- **Sold 2** This comp is inferior as it has a smaller garage, is older, and has slightly less footage. The other features are the same to make the comp have a lower value overall.
- **Sold 3** This comp is also lower in value as it is smaller and older than the subject. The comp also has a single car garage so the home would be inferior as compared to the subject.
