Comments Regarding Pricing Strategy

The subject should be sold in as-is condition. Value best supported by sold comp 2 and list comp 3, being the most comparable to the subject. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas. Commercial presence for the subject would not affect the subject's condition or marketability. Comps used are different styles due to the lack of recent market activity, used most similar found. Due to the lack of more suitable comparisons, it was necessary to exceed 2 miles and over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties.
