Comments Regarding Pricing Strategy

All comps are situated within the same market area as subject. Found similar properties that are located on the same street and offer similar location and market appeal but are just over 1 mile. It was more important to stay on the busy street when selecting comps as this will affect marketing of subject.

Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
