<b>Comments Regarding Pricing Strategy</b>		
<p>Within 1 mile, 30% GLA +/-, Year built 20 +/-, there were limited comparable available in the subject neighborhood. Therefore it was necessary to exceed the style, closed date and proximity up to 2 miles. In delivering final valuation, most weight has been placed on CS2 and CL2 as they are most similar to subject condition and overall structure. Subject's final value represents a value with normal marketing time and based on the most similar and proximate comps in this report and they were the best indicators of value available. There was no mailbox number. Address was verified by surrounding house numbers and street sign. Power wash: \$200</p>

## Addendum: Report Purpose

### Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.)

The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price

A price at which the property would sell between a willing buyer and a willing seller neither being compelled by undue pressure and both having reasonable knowledge of relevant facts.

Distressed Price

A price at which the property would sell between a willing buyer and a seller acting under duress.

Marketing Time

The amount of time the property is exposed to a pool of prospective buyers before going into contract. The customer either specifies the number of days, requests a marketing time that is typical to the subject's market area and/or requests an abbreviated marketing time.

Typical for Local Market

The estimated time required to adequately expose the subject property to the market resulting in a contract of sale.
