Comments Regarding Pricing Strategy				

#### Comments Regarding Pricing Strategy

The subject should be sold in as-is condition. Value best supported by sold comp 2 and list comp 3, being the most comparable to the subject. Due to the lack of more suitable comparisons, it was necessary to exceed over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. All the necessary adjustments are made. Commercial presence for the subject would not affect the subject's condition or marketability. Subject appears to be currently occupied verified from the tax record.
