Comments Regarding Pricing Strategy		
<p>I went back 03 months, out in distance 0.50 miles, and even with relaxing the GLA search criteria I was unable to find sufficient comps which fit the client's requirements. Within 2 miles and back 12 months I found 11 comps of which I could only use 6 due to subject homes characteristics and marketing factors. The ones used are the best possible currently available comps within 2 miles and the adjustments are sufficient for this area to account for the differences in the subject and comps.</p>
