#### **Comments Regarding Pricing Strategy**

The MLS was searched for comparable with the following criteria:: GLA range of 1188 to 2036 square feet, within 1 miles radius, 1971 to 2021 year built range, and 12 months' sale time for sold comps. The comparable that were closest in size, age, style, location and room count were chosen for this report. Due to limited comparable, need to exceed proximity up to 1.81 miles, closed date, condition, year built, garage and lot size. Due to limited comps available, sold comps were despite not bracketing the GLA since they were considered to be reliable comparables Subject is located closer to residential, commercial and busy roads. This however, will not have effect on value and marketability. Sale 2 and listing 1 are most comparable to the subject. Their value was weighted heavily in determining the value of the subject. Subject details were taken as per tax record.
