Comments Regarding Pricing Strategy		
<p>Most of the Weight in this BPO was given to Sold Comp 3 because it was most similar in GLA to the subject. Note: this valuation is NOT intended to be an Appraisal and should not be used as one, it was completed by a Licensed Real Estate Broker. This is for valuation purposes only Subject's final value represents a value with normal marketing times and based on the most similar and proximate comps in this report. All comparables have been given equal weight in determining an opinion of value for the subject property. Due to limited available market data for similar properties in the subject's immediate neighborhood, it was necessary to utilize comps with a variance in GLA, Year built, Lot size, Bed bath count, Sold date and proximity.</p>		

Clear Capital Quality Assurance Comments Addendum
