Comments Regarding Pricing Strategy				

I went back 12 months out in a distance of 20 miles and even with relaxing GLA, Lot size, age and proximity I was unable to find comps that fit the exact requirements. The ones used are the best possible currently available within 20 miles and the adjustments are sufficient for the differences between the subject and the comps.

Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect Notes the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
