Comments Regarding Pricing Strategy		
<p>The subject should be sold in as-is condition. Value best supported by sold comp 2 and list comp 2, being the most comparable to the subject. Due to the lack of more suitable comparisons, it was necessary to exceed over 2 miles and over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. All the necessary adjustments are made. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas. Commercial presence for the subject would not affect the subject's condition or marketability. There is lack of similar comps available within a mile so it was necessary to extend the search for comps. There is lack of similar age comps available within a mile so the comps chosen were the best available and closest to a similar age as the subject. There is lack of similar GLA comps available within a mile so the comps chosen were the best available and closest to the similar size as the subject. There is lack of similar acreages comp available within a mile so the comps chosen were the best available and closest to the similar acreage as the subject. Estimated market rent: \$1,727.</p>
