Comments Regarding Pricing Strategy		
<p>The subject is a SFR home in average condition. Subject attributes were taken from Tax record. Due to limited comps in the area, it was necessary to exceed proximity upto 1.56 miles. To locate comparables in close proximity of subject, it was necessary to exceed lot size guidelines, age, style, GLA and bed/ bath count. Subject is located near park, busy street and commercial buildings. This however will have no impact on value. In delivering final valuation, most weight has been placed on CS2 and LC3 as they are most similar to subject condition and overall structure.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
