#### **Comments Regarding Pricing Strategy**

The subject should be sold in as-is condition. Value best supported by sold comp 2 and list comp 3, being the most comparable to the subject. Commercial presence for the subject would not affect the subject's condition or marketability. Due to the lack of more suitable comparisons and over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. Subject appears to be currently occupied verified from the tax record. The address was not posted anywhere on the subject, it was verified through tax records, So I uploaded the street sign and neighborhood address photos for the address verification.
