<sup>\*</sup> Listing 2 is the most comparable listing to the subject.

Listing Comments Why the comparable listing is superior or inferior to the subject.

- Listing 1 It is inferior because of having a smaller GLA and a smaller lot. Overall, similar in design and appeal and has comparable views.
- Listing 2 Best represents the subject as-is. Most comparable in design & appeal & property characteristics with a similar view.
- Listing 3 Represents an active good condition comp at the upper end of this neighborhood. The subject would compete below this.

#### Recent Sales - Cont.

Reasons for Adjustments Why the comparable sale is superior or inferior to the subject.

- **Sold 1** It is inferior because of having a smaller GLA and for having a smaller lot. Overall, similar in design and appeal and has comparable views. Adjustments: \$2955 due to sq ft, \$11,108 due to the lot, \$2500 due to 2-car garage stalls, and \$10,000 due to needing TLC.
- **Sold 2** Shows the best support for my value conclusion. Overall, it has the most comparable characteristics and, most importantly, the most similar location/view, which is one of the biggest factors with the subject. Adjustments: \$1740 due to sq ft, \$10,454 due to the lot, \$1800 due to age, and \$2500 due to 2-car garage stalls, \$5000 due to needing TLC.
- **Sold 3** It also has the same view as the subject, but its updates make this superior. Therefore my value conclusion most aligns with Sale 2. Adjustments: \$4860 due to sq ft, \$11,696 due to the lot, -\$20,000 due to updates.

#### **Comments Regarding Pricing Strategy**

The search was extended back 12 months, out in the distance of 4.1 miles, and even with relaxing 35% GLA search criteria, I could only find a few comps that fit within 20% GLA requirements and similar style and appeal. Within 4.1 miles and back 12 months, I found 31 comps, of which I could only use 6 due to condition or site-size factors. The comps used are the best possible currently available comps within 4.1 miles, and the adjustments are sufficient for this area to account for the differences in the subject and comps. Upon review of all the pertinent information, an opinion of the as-is market value of \$180,000 is adequately supported with emphasis placed on List No. 2 and Sale No. 2. Based upon an exterior inspection from the street, the subject property has no observable adverse condition noted that would cause a safety or health risk/concern at the time of inspection. No resale issues are foreseen.

#### Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.) The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price A price at which the property would sell between a willing buyer and a willing seller neither being

compelled by undue pressure and both having reasonable knowledge of relevant facts.

Distressed Price A price at which the property would sell between a willing buyer and a seller acting under duress.

Marketing Time The amount of time the property is exposed to a pool of prospective buyers before going into contract.

The customer either specifies the number of days, requests a marketing time that is typical to the

subject's market area and/or requests an abbreviated marketing time.

Typical for Local Market The estimated time required to adequately expose the subject property to the market resulting in a

contract of sale.

Customer Specific Requests:

\*\*If the property is commercial or mixed use, please stop and contact Clear Capital as soon as possible\*\*

Form Help:

There are blue question marks (?) throughout this form. These are designed to offer guidance for that particular section of the form. Please click on them for help.

Comparable Requirements:

- 1. Please use fair market comps from the same neighborhood, block or subdivision whenever possible.
- 2. Please only use REO comparables if the market is driven by REOs and they are comparable in characteristics and condition.
- 3. Please use comps that have closed in the past 3 months to show the current market conditions or comment in the report if this is not possible. In rapidly changing markets, active listing comps should be given equal or greater weight than sold comps in your analysis.

Standard Instructions:

- 1. Clear Capital Code Of Conduct Please make sure that you are always abiding by the Clear Capital Code of Conduct when completing valuation reports.
- 2. If the subject is currently listed, please consider all available information pertaining to the subject's condition. This information should be utilized when developing the assumption of the subject's condition.
- 3. Use the subject characteristics provided in the report Grid (if preloaded) to evaluate the property. This information is from a full interior appraisal and is assumed to be most accurate. If your inspection reveals obvious inaccuracies, please explain in the narrative of the report.
- 4. Include sufficient detail to help our mutual customer gain a complete understanding of the subject's neighborhood such as neighborhood desirability, amenities, parks, schools, commercial or industrial influences, REO activity, traffic, board-up-homes, etc.
- 5. Do not approach occupants or owners.
- 6. If the subject is a Commercial property, contact Clear Capital immediately at 530-582-5011 for direction on how to proceed with the report.
- 7. Please do not accept if you or your office has completed a report on this property in the last month, are currently listing this property, or have any vested interest in the subject property.
- 8. Clear Capital does not allow any log ins from IP addresses from foreign countries. This includes, but is not limited to; data entry services, form completion services, etc. Also, it is against Clear Capital code of conduct to share your password with anyone who is not a W2 employee in your office.
