| Comments Regarding Pricing Strategy | | |
| <p>The subject should be sold in as-is condition. The market conditions is currently stable. Few comps available, the comps chosen were the best available and closest to the GLA, bedroom, lot size and age as the subject. The comps I have used in this report are shows current market condition. So the value I estimated would be the best value for the subject. Sold Comps 3 and List comps 1 are gives more weight to my estimated value due to GLA and similar market area. Due to the lack of more suitable comparisons, it was necessary to exceed over 1 mile from the subject, over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties.</p> | | |
