Comments Regarding Pricing Strategy		
Final values arrived after searching through (0.5 miles) radius from the subject, with +/-20% GLA, +/-10 years for age and 6 months back for comparable sales. There is not enough similar comps available, it is necessary to expand the standard criteria. Expanded proximity to 1 mile radius from the subject and +/-30% GLA. The ones used are the best possible currently available comps and the adjustments are sufficient for this area to account for the differences in the subject and comps. This BPO is not an appraisal and is not intended for the use in financing.
